The Home Health Update was presented by Jennifer Becker. Since our last meeting, we have had 36 admissions: 17 Medicare, 11 Medicaid, 2 Private Insurance, 2 VA and 4 Private Pay. Referral sources are hospitals and physicians. The most common diagnoses include Dementia, Diabetes and Mental Illness. 18 Discharges have been done: 14 Goals Met, 3 Nursing Home Admission, and 1 Hospital Admission. There was one refusal of care during this timeframe, due to patient having mental illness, and it was unsafe for our staff. In total, we have made 395 Skilled Nursing Visits, 451 HCA visits and 285 HCA Hourly, 26 Physical Therapy, 8 Occupational Therapy and 0 Speech Therapy visits. The Chart Audit is completed, but not entered on to the spreadsheet. Lonna continues to make monthly presentations at the Greene Community Center during the noon meal, speaking on various health topics. Jennifer will be at the Girl Scouts Day Camp on July 9th, educating on sun safety. She wrote a mini-grant to the Kyle Trust for \$650 for sunscreen, and has received notification that it was awarded. We will again be sharing a fair booth with emergency management, and will be taking information on many of our services, including home health. There will also be a few giveaways, and we will be doing a drawing.

The next meeting will be scheduled for Tuesday, August 9th, 2016 at 4:00 p.m. The meeting was adjourned.
