Explanation of increases in the budget:

There is an increase in the cost of goods and services, health insurance, property insurance, operating costs and professional fees. Also increased costs in wages due to an increase in the cost of living and additional staff. Note: Due to recent legislation affecting the FY24 budget, the figures provided act as a maximum to accommodate any changes that may occur during the budget process.

The above tax rates do not include county voted levies, mental health and disabilities services levy, debt service levy and the rates of other local jurisdictions.
