Old Business:

Tammy Fleshner gave an update on the EMT Class. We are halfway through class, with 27 of the 39 chapters done, and 2 unit tests completed. The instructor has suggested study groups to help with test preparation. 14 of the 16 Butler County students are still in class. Randy Pfile, instructor, is very appreciative of the help he is getting from the Butler County Services with skills.

New Business:

Tammy distributed information on the new Butler County Community Foundation Grant Application process. Training sessions are set up for next Wednesday at 4:30 and 6:00 p.m. Any services interested in applying for this grant should attend one of these sessions.

Doug Tharpe represented Butler County at our Regional EMS Association meeting on December 5th as Tammy was unable to attend. He was not available to give a report.

Mitch Nordmeyer reported that the Ethanol Plan Exercise that was scheduled for December 8th was postponed due to plant problems. It will be rescheduled at a later date.

Tammy stated that she has been working on the EMS Report to the Board of Supervisors. As a new Supervisor has been elected, she will plan to get on the agenda in January the Supervisor is seated. Anyone that has concerns or comments that they want included should send them to Tammy as soon as possible.

The next meeting will be scheduled for Thursday, February 7, 2013 at the Courthouse. Meeting adjourned.

After the business meeting, a meal was shared by all. A special thank you goes to Mitch Nordmeyer for picking up the tab.
